BIO-SECURITY SERVICE

We take this opportunity to introduce Fumitech Quarantine (INDIA) Pvt. Ltd. is one of the leading Pest Control Companies operating in Kerala. We undertake efficient pest controlling measures (FUMIGATION, FOGGING, ANTI-TERMITE SERVICES, GENERAL PEST CONTROL, RODENT SERVICES ETC.) to maintain a healthy, high performing, safe, pest-free facility. The company has symbolized itself as an epitome of bio-security and bio-pestcontrol.

Our Commercial Pest Management Service offers the highest level of Protection to the Food, Pharmaceutical, Non-Food Industries, Warehouses, Offices, and Residential Premises etc. We are a Specialist Company who is dedicated to solving Pest Problems while meeting the new environmental challenge. To ensure we provide you with Preventative and Curative methods like Cockroaches, Rodents, Flies, Mosquitoes, Ants etc. for treat infestation.

We have constant contact with the experts, specialists and literatures available around the globe.

Assuring you our best services at all times. Please visit our site at: www.fumitech.in

Fumitech Services

1. TERMA-CARE (ANTI-TERMITE SERVICES)

We use IS6313 standard operating procedure for anti-termite services. There are two type of anti-termite treatment **pre-treatment and post treatment** .other treatments are wood borer, dump wood termite treatments etc.

2. FUMA-CARE (FUMIGATION SERVICES)

We are accredited and licensed by **Ministry Of Agriculture Govt. Of India to undertake fumigation using aluminum phosphide (AIP) and methyl bromide (MBR).**we fumigates in the sectors /products like containers, vessels/ships, grains, seeds, lot, wooden pallets, debarked woods etc.

3. DE-FUMA (FOGGING, BACTERIA & VIRUS DECONTAMINATION AND DISINFECTION SERVICES)

We are providing Decontamination and disinfection services of bacteria, viruses, yeast & mold fungi using a novel patented product named as CARE P which was developed and manufactured by REENA INDUSTRIES Hyderabad. We are using some variance of this product for different purposes.

All type of bio films, bacteria and virus will get killed and residue free safe repeatable sterilization of rooms, buildings, animal houses, clean rooms, pharma manufacturing facilities, operation theatres, labour rooms, work stations in software companies

We provides service, chemical, machine supply also for the same

4. D-PEST CARE (GENERAL PEST CONTROL AND RODENT SERVICE)

We are also providing service in general pest and rodent control. We do different technical approaches for effective control. spraying services for Cockroach, ants, flies, bed bugs & silver fish are also available. We use who approved chemicals only for the treatments because we concerns about customer and environment safety with effective control measures.
